PROFESSIONAL SUMMARY

Software Engineer with experience in building responsive and user-focused web applications using React.js and Next.js. Experienced in translating UI/UX designs into scalable components, optimizing performance, and delivering clean, maintainable code in production environments.

TECHNICAL SKILLS

Frontend: React.js, Next.js, JavaScript (ES6+), TypeScript
Styling: Tailwind CSS, Bootstrap, CSS3, Responsive Design
Tools: Git, GitHub, n8n (Workflow Automation), REST APIs
Concepts: Component-Based Architecture, UI/UX Implementation, Performance Optimization

PROFESSIONAL EXPERIENCE

Frontend Developer   Aug 2025 – Present
Zuzeee

- Designed and developed a responsive web application for managing taxi accounts and bookings.
- Built reusable UI components to improve maintainability and consistency across the application.

Frontend Developer   Jan 2025 – Apr 2025
The TechAxe

- Developed interactive therapy tools (Physio), improving user engagement and usability.
- Boosted application load speeds by 25% by implementing React.memo and optimizing state management patterns in Next.js.
- Implemented payment workflows (CPayments) to improve transaction efficiency.

Frontend Developer   Sep 2022 – Oct 2024
Medtronix Systems

- Developed and maintained frontend applications using React.js.
- Collaborated with designers to translate UI/UX designs into functional interfaces.
- Contributed to a responsive e-commerce platform with user-friendly design.

PROJECTS

Physio | *React.js, JavaScript, UI/UX*

- Built interactive therapy tools with improved performance and usability.

CPayments | *Frontend Payments Workflow*

- Designed and implemented payment processing workflows to improve transaction efficiency.

E-Commerce Platform | *React.js, Responsive Design*

- Developed a responsive e-commerce platform for Medtronix Systems.

Flooring Take-Off App

- Created a flooring measurement tool with calculation and data entry features.

EDUCATION & CERTIFICATIONS

BS Software Engineering   2020 – 2024
University of Sahiwal   *CGPA: 3.56/4.0*

Certifications
n8n — C.I.T. – Web Software Development — C.C.A – Certified in Computer Application
